INSTRUCTIONS

General Instructions

Retail sales of personal property (except motor vehicles and energy) and sales of services (except telecommunications and utility services) to a qualified business for the exclusive use or consumption of such business within its business location in an enterprise zone are exempt from the taxes imposed under the "Sales and Use Tax Act," P.L. 1966, c.30 (C.54:32B-1 et seq.).

Effective July 15, 2006, Chapter 34, P.L. 2006 revised the Urban Enterprise Zones Act. The purchase exemption for purchases made by the qualified business remains effective; however, procedural amendments to the law now require the sales tax to be collected on sales made to qualified businesses, unless the business is a "small qualified business" (annual gross receipts less than \$10 million* in the prior annual tax period). For purposes of the point of sale exemption, sellers can no longer rely on the qualified business' prior exemption certificate (UZ-5). A "small qualified business" must furnish a UZ-5-SB to its vendor. A qualified business that is not a "small qualified business" must pay sales tax at the point of purchase, or self-assess use tax, and apply to the Division of Taxation for a refund within one year of the purchase, on the proper form (A-3730-UEZ) and in accordance with procedures prescribed by the Division of Taxation. The forms and instructions can be found on the Division's Web Site at www.state.nj.us/treasury/taxation/uezrefundsofsales.shtml. The forms may be downloaded and filled out on the computer before printing; however, they cannot be submitted on-line.

The partial sales tax exemption (3 1/2%) offered by certified retail businesses has not been changed by this recent revision of the law.

An application must be completed annually upon application for re-certification under the UEZ program.

Specific Instructions

The following instructions refer to the numbered entry items on the application.

- ITEM 1** Enter the NJ Taxpayer ID# your business received when you registered your business, for state tax purposes, with the Client Registration Branch (NJ Division of Revenue). This must be the ID# used for state tax filings for the exact location completing this application.

- ITEM 3** Enter the name of a person knowledgeable about the business and available for contact.
- ITEM 4** Enter the business location's telephone number where the person entered in Item 3 can be reached.
